Made in America, "Pearls Before Swine" stars Rat, the boss of this outfit--arrogant, self-centered, and quick-tempered. Pig is the conscience. Zebra is a survivor (with Crocodile next-door-neighbors), and Goat is the brains. Duck is Pig's loyal but violent and unstable guard duck. The dark, twisted adventures of this bunch of goodfellas have made Pearls the fastest-growing comic strip of the decade. Join the family and get in on the action. It's whacked.
