"A hoot, even if you do feel guilty for laughing."--Entertainment Weekly" Caustic,

cranky, and inadvertently hilarious, the bestselling Victorian author Mrs. Favell Lee Mortimer rarely left the house--but that didn't stop her from writing several successful travel books. With volumes on Europe, Asia, and Africa and America, Mrs. Mortimer had something nasty to say about your ancestors, no matter where they had the misfortune of living. Todd Pruzan has assembled three of Mrs. Mortimer's very forgotten classics into one volume, "The Clumsiest People in Europe," a wild tour through the comically and horrifyingly misinformed prejudices of a unique Victorian eccentric.
