

Passage to Angkor

[Passage to Angkor_下载链接1](#)

著者:Kenro Izu

出版者:Friends Without a Border

出版时间:2006

装帧:Hardcover

isbn:9780965357470

The world's premier photographer of sacred sites, Kenro Izu's remarkable work both pays homage to the 19th-century masters of photography yet displays an undercurrent of striking modernity. Collected here are Izu's most accomplished Angkor Wat photographs, enhanced with the acclaimed poetry of Helen Ibbitson Jessup. Izu's *Passage to Angkor* will be featured in a traveling exhibition beginning December 2003.
