A group of Old Order Amish schoolgirls in traditional dress, shadows cast by the romantic covered bridges in Lancaster County, the crack in the Liberty Bell -- these are the images presented in Pennsylvania, a glorious look at a state founded on religious freedom and peace. Much of America's history lies in Pennsylvania. The Declaration of Independence was signed here, and it was here that Abraham Lincoln delivered his famed Gettysburg Address. Today, the state takes pride in its lively communities, beautiful countryside, active arts organizations, and countless festivals and events. About the "America" series: As expansive as America itself, this outstanding series captures outstanding views of panoramic landscapes, brilliant city skylines, and picturesque communities. Each volume focuses on a city or state and features 96 pages and 70 stunning images by internationally renowned photographers, plus descriptive captions.
