在线阅读本书

Veteran professional photographer Serge Timacheff walks you through the features of the Canon EOS DSLR camera; selecting, understanding, and using lenses and accessories; and caring for your equipment. You'll also get professional insight into protecting your gear and building your skill set. Once you understand how to build a photography system that meets your needs and discover which filters and accessories

are best for you, you can begin to embrace all the Canon EOS camera system has to offer.
