With more than 1 million copies sold, *Sisters* changed the face of photo-essay books and spoke volumes to every person blessed with the companionship of a female sibling. This updated and revised edition of the highly acclaimed New York Times bestseller is a moving portrayal of the profound relationship between sisters, featuring a new format plus new photography and updated stories that follow up on 13 of the most poignant tales about the original 36 sets of featured siblings. The women in *Sisters* include both the famous--Christy Turlington, Dixie Carter, Coretta Scott King, Wendy Wasserstein--and the lesser known but still unforgettable. "Wohlmuth's striking photography will seduce you immediately," wrote *Entertainment Weekly*. "As for Saline, she has used the subject matter as a brilliant device."
