著者:Housenbold, Jeffrey/ Johnson, Dave

出版者:McGraw-Hill

出版时间:2005-5

装帧:Pap

isbn:9780072261660

Jeff Housenbold of Shutterfly.com--a leading online digital photo print service--and Dave Johnson, best-selling digital photography author, have written the ideal how-to book for anyone looking to take great digital photos. They cover the basics of how digital cameras work and offer easy-to-follow guidance and general photography

tips--from composition and lighting to shooting action shots and getting compelling close-up images. The book covers: \* Image editing, including cropping and resizing \* Adding text, objects, and special effects \* Getting quality prints from an online service or a home printer \* Creating greeting cards, calendars, stickers, posters, and more
