isbn:9781584282082

Updated with all-new photographs and information on technological advances, this comprehensive resource covers every technique photographers must master to rise to the challenge of being a wedding photographer. Topics covered range from selecting equipment and winning clients to posing and lighting breathtaking images. Critical techniques for success after the shoot are also covered, including tips for presenting images to clients, refining and retouching images, preparing and presenting wedding albums, and much more. Insider techniques from some of the world's most acclaimed wedding photographers accompany stunning images making this resource a great asset to both full-time professionals and weekend-wedding shooters.

作者介绍:

Bill Hurter has been involved in the photographic industry for the past 30 years. He is the former editor of Petersen's PhotoGraphic magazine and currently the editor of both AfterCapture and Rangefinder magazines. He has authored over 30 books on photography and hundreds of articles on photography and photographic technique.

He is a graduate of American University and Brooks Institute of Photography, from which he holds a BFA and Honorary Masters of Science and Masters of Fine Art degrees. He is currently a member of the Brooks Board of Governors. Early in his career he covered Capital Hill during the Watergate Hearings and worked for three seasons as a stringer for the L.A. Dodgers. He is married and lives in West Covina, CA.
