Lance Armstrong inspires millions the world over, not just as a sports champion, but as a champion at life. His heroic survival from deadly cancer and his hard-fought triumphs in the bicycle race that is thought to be the most gruelling endurance test in sports are a tribute to the strength of the human spirit. Filled with never-before-seen pictures - including photos of his historic seventh Tour win - and revealing insights by the people who know him best, this treasured keepsake celebrates in words and photographs Armstrong's indomitable will and champion's heart. See inside Lance's tour with intimate pictures of Armstrong in competition and off the bike, as well as stunning full-colour views capturing the grandeur of the sport, by cycling's top photographer, Graham Watson.
