装帧:Pap

isbn:9783865211040

In the summer of 2005 Steidl published a small booklet of Juergen Teller's work, titled 'The Master'. It offered a characteristic examination of his own world and persona as a photographer, a mixture of fashion and commissioned works, alongside self-portraits, family photographs and scenes from his Bavarian home. The title and starting point for the book were portraits of two of his heroes, the photographers William Eggleston and Nobuyoshi Araki. The book quickly went out of print and a second edition of the 'The Master' will now be printed alongside 'The Master II', marking the beginning of a series of booklets that will culminate in a slip-cased edition of all ten or more at some point in the future. 'The Master II' comprises his recent body of work 'Ukraine' in which he chose to employ the city of Kiev as the setting for a fashion shoot, mixing fashion, still-lives of the city, and portraits of ordinary people as a way of representing his own

fantasy of a country marked by a brash youthful energy and an obsession with capitalism.

作者介绍:

Juergen Teller has previously had solo exhibitions at The Photographers Gallery, London; Museum Folkwang, Essen and a major retrospective show at Kunsthalles Wien. He has participated in numerous group shows held at, amongst other, Museum of Modern Art, New York, Fotomuseum Winterthur and Tate Modern, and was awarded the 2003 Citibank Photography Prize. Teller has also published a number of monographs, including Ich bin Vierzig, Louis XV and Nürnberg. He has lived in London since 1986.

@C/O Berlin

小小得，薄薄得，外貌就像宜家家居免费派发的宣传刊物，被挤压在巨本与巨本的图书之间，我能找得出来我简直就是神噢。那是一种惊喜至狂的感觉，你绝对不会相信那里有谁和谁，他们是在干嘛啊喏我的天啊！！精彩得被那群来看陈丹青演讲的学生艺文b们堵在角落里半天也值得。。

《The Master》是Juergen Teller开本最小最廉价的书了吧。软皮小尺寸，图片不多显得很爽快，轻薄小开本适合任意环境翻阅。不过有些看不明白他选照片的逻辑，以及将旧图片重新编辑的充分理由。
