著者:The Editors of LIFE

出版者:Bulfinch

出版时间:2004-11-1

装帧:Hardcover

isbn:9780821228920

This book represents the work of every LIFE magazine staff photographer from the 20th century, as well as a handful of others closely affiliated with the magazine, including Alfred Eisenstadt, Margaret Bourke-White, Gordon Parks, Eugene Smith, and Joe McNally. THE GREAT LIFE PHOTOGRAPHERS presents the most iconic images of the

past century, as well as little-known gems from the LIFE archives. Many of these images are markers of the major milestones of history--the first pictures from inside the womb or from outer space, Robert Capas falling soldier, and memorable scenes from Tiananmen Square. Defining celebrity portraits of Sophia Loren, Marilyn Monroe, the Beatles, and Michael Jackson are also featured. This startlingly rich collection of both color and black-and-white photographs is a vivid fulfillment of Henry Luces charge: To see life; to see the world....To be amazed!

评论

震撼，感动，经典！

-----  
镇宅宝物，即可看内容，还能当砖使。

-----  
见证历史与人生。向摄像师致敬。

-----  
好喜欢看画册。细看了一下，有很多摄影师都是战地回来直接拍梦露。为什么那个时代的明星拍得这么美这么经典？或许原因在这里

-----  
其实LIFE网站上可以看到书里所有照片

-----  
直指人心的照片，带着情怀和力量的照片，柔软的照片，抵达生命末梢的照片，那些或悲壮或欣喜的照片。

-----  
满满的情怀！
