Twin Cities: Then and Now is an engaging, startling, and at times heartbreaking look at the dramatic evolution of landscapes in Minneapolis and St. Paul. Larry Millett, author of Lost Twin Cities, explores the changing appearances of Minneapolis and St. Paul from the vantage point of their relatively static streets. Seventy-two historic photographs taken from the 1880s to the late 1950s, are paired with Jerry Mathiason's elegant new black-and-white photographs to provide superb visual comparisons between then and now. Millett's lively and informative essays examine the often astonishing changes wrought by time and circumstance. Maps and detailed informational graphics provide orientation and identify hundreds of significant buildings and places in the photographs.
