The latest, greatest update to the bestseller, providing the quick and easy way to get up to speed with the latest release of Adobe Photoshop. This is the book that hundreds of thousands of Photoshop users have turned to again and again for easy-to-understand, practical advice. In best-selling author and premier Photoshop

guru Deke McClelland reveals his own techniques for quick and creative image editing, along with specific tips that Photoshop veterans can use to take advantage of the software's new features. In this book, Photoshop pros can discover tricks they can try out right away, while Photoshop novices can find ready-to-use instructions so that they can become productive quickly.
