出版时间:2004-4

装帧:Pap

isbn:9783883757902

In the early 70s, Hans-Peter Feldmann went on vacation in Scotland with his girlfriend and his son. He took five rolls of film and, upon developing them, realized he had taken pictures of seagulls and nothing else. (Well, there was one picture of his girlfriend's arm and two or three of his son.) This book acts as a kind of strange photo album of their trip.
