The 11th edition of "Business Law with UCC Applications" presents an up-to-date teaching-learning system that is written in an easy-to-understand style and provides comprehensive information about all facets of business law. Material is presented in nine sections, which include relevant case studies featuring excerpts from the court's

opinion. Content has been updated to reflect the many recent changes in the legal field and color photos throughout the text help students relate the material to their own lives.
