The Arbitration Law Reports and Review series makes full texts of arbitration cases in England, Wales, and Northern Ireland available in a single publication on an annual basis. Each volume includes a comprehensive collection of judgments for the relevant year, supported by keywords, headnotes, a subject index and the Editor's analytical and comparative review which looks at developments during the year and groups cases together under thematic headings. The 2000 volume of Arbitration Law Reports and Review brings together cases decided in the calendar year 2000.
