It is important for anybody involved in sport and physical recreation to be aware of the legal context in which their activity takes place, to develop an understanding of their legal responsibilities and to know what might happen if something goes wrong. "Sport, Physical Recreation and the Law" is the first textbook on this difficult subject for students and practitioners in sport and physical recreation. Covering a wide range of legal principles and cases, this textbook introduces the reader to legal systems, terminology, databases and the use of case law. Designed to encourage analysis, reflection and the application of examples and ideas from the reader's own experience, the book clearly and comprehensively explains key topics such as: socio-legal aspects of sports violence and criminal liability; negligence and defences against negligence; and, manslaughter by individuals and organizations in sport principles of natural justice, disciplinary tribunals and doping discrimination, harassment and child protection risk management, statutory duties, and breaches of health and safety criminal liability - recognized sports, hazing, and cage fighting. Including over 300 exercises, hypothetical scenarios, investigative tasks and seminar activities, this book is an essential course text for all students of sport, recreation and the law, and an invaluable reference for coaches, physical education teachers and those who play, lead or organize sport and physical recreation.
