Whether studying American law outside the United States or intending to enrol in a graduate program in the United States, for an LL.M., it is necessary to become aware of the major differences that exist between the US legal system and other systems of law. This book helps a student bridge that gap and quickly grasp a solid introductory foundation of American law and legal research techniques that will easily permit focus on the legal field of their choice. It features commentary, analysis, definition of terms, and instructions for finding articles on the World Wide Web, provided in a clear, and straightforward style.
