出版者:West Group

出版时间:2005-5

装帧:Pap

isbn:9780314160669

Develop perspective on the conflicts of law arena with Siegel's broad vantage point. Topics covered include issues involving domicile; jurisdiction; adjudication; statute of limitations; foreign law; contract and business cases; torts; "renvoi"; Erie Doctrine; judgments; and family (marriage, dissolution of marriage, property incidents, and custody).
