Over the course of nearly five decades, Bernd and Hilla Becher documented almost every type of industrial architecture from water towers and steel mills to gas tanks and grain silos in Europe and the United States. Whether presenting single shots or their signature typological grids, the Bechers created a photographic testament to the industrial revolution that so emphatically shaped the nineteenth

冷静、淡漠、没劲。

工厂被他们拍得干净优雅

读的第一本贝歇夫妇摄影集，是该系列第十九本《采石场和石灰窑》。
