著者:Reurlinger, Mark

出版者:Aspen Pub

出版时间:1998-3

装帧:Pap

isbn:9781567067675

The Second Edition of this popular study guide contains all of the entries and examples--as well as the Master Word List--that made it so successful in its first edition. In addition, it provides complete references to the Uniform Probate Code, including explanations of the Code's most recent changes and a comprehensive UPC table for cross-references. This succinct but substantive overview presents: - lucid explanations of essential terms, concepts, and doctrines- helpful examples that clarify important concepts- diagrams and charts to supplement the textA number of changes have been made to further maximize the accessibility of the material, including new entries reflecting those terms and concepts that have become essential to the subject of estates and trusts, such as: - Supplemental (or Special Needs Trust)- The Durable Power of Attorney for Health Care- Uniform Statutory Rule Against Perpetuities- a Uniform Probate Code Table that shows where each reference to the Code can be foundYou can recommend Wills, Trusts, and Estates: Essential Terms and Concepts, Second Edition, with confidence, knowing your students are getting a high-quality reference that complements your other course materials.
