著者:Graetz, Michael J.

出版者:West Group

出版时间:2003-10

装帧:Pap

isbn:9781587785153

This law school casebook extracts materials from scholarly literature on international income tax law and provides context for these materials, to enhance an understanding of the institutions that shape this area of law and underlying policy debates. Designed for use as a principal text, it may also be used as supplemental reading, with topics assigned as they are taken up in the course or assigned or recommended to students to read on their own.
