Selective text notes provide students with background discussions where an issue is

better elaborated by notes than by case. Copious UCC and Restatement (Second) of Contracts cross-references. Reorganized and rewritten chapters on preliminary negotiation, indefiniteness, and the duty to negotiate in good faith; parol evidence rule; and problems of performance. Includes a new chapter on the limits of contract. Extensive Convention for the International Sale of Goods and the Unidroit Principles of International Contracts Law cross-references. An expanded treatment of international contract law and treatment of electronic contracts also included.
