isbn:9780199205899

This new addition to the Blackstone's Statutes series provides a comprehensive collection of important legislative provisions of UK, EC, and international law

governing the print and broadcast media. Designed specifically for students, Blackstone's Statutes lead the market in providing a carefully selected, regularly updated, and well-sourced collection of legislation for the core subjects and major options offered on the law syllabus. Each title is ideal for use throughout the course and in exams providing the student with: - Unparalleled coverage - Unannotated primary and secondary legislation - Detailed indexing and tables of content to aid quick and efficient research - Up-to-date and relevant material - Online Resource Centre providing updates, web links, and guidance on using a statutes book Included in the 1st edition: - UK, EU, and international legal materials governing media regulation - Freedom of Information regime in England and Wales - Codes of Practice of key media regulators and watchdogs - Racial and Religious Hatred Act 2006 - Communications Act 2003 and the new draft Television Without Frontiers Directive
