著者:Nwanna, Gladson I. 编

出版者:Lightning Source Inc

出版时间:

装帧:Pap

isbn:9781890605285

This book provides information on various avenues available to taxpayers in resolving their tax-related problems or in working through their tax problems with the IRS. Readers are introduced not only to their rights but also to critical IRS processes, requirements and options such as Offer-in-Compromise, Installment Agreements, Appeal Processes and alternative problem resolution avenues such as the Taxpayer Advocate Services. References and sources for additional information are also provided.
