The Hill and Wang Critical Issues Series: concise, affordable works on pivotal topics in American history, society, and politics. The men who made up the Supreme Court when Earl Warren was Chief Justice (1953-69) changed America forever, and their decisions are still affecting constitutional law today. This overview of the Warren Court focuses on its landmark cases and enduring legacy.

本书是通俗易懂的法律书的典范。
在美国两百多年历史上，最高法院几乎一直都是一个保守、反动的存在。只有沃伦法院率全国之先，用平等主义的理念重塑美国。看到往后的伯格、伦奎斯特、罗伯茨一蟹不如一蟹，令人更加怀念沃伦法院的人性光辉。
