著者:Aptheker, Bettina

出版者:Cornell Univ Pr

出版时间:1999-4

装帧:Pap

isbn:9780801485978

First published in 1975, and praised by The Nation for its "graphic narrative of (Davis's) legal and public fight," The Morning Breaks remains relevant today as the nation contends with the political fallout of the Sixties and the grim consequences of institutional racism. For this edition, Bettina Aptheker has provided an introduction that revisits crucial events of the late 1960s and early 1970s and puts Davis's case into the context of that time and our own -- from the killings at Kent State and Jackson State to the politics of the prison system today. This book gives a first-hand account of the worldwide movement for Angela Davis's freedom and of her trial. It offers a unique historical perspective on the case and its continuing significance in the contemporary political landscape.
