出版时间:2004-07-01

装帧:Hardcover

isbn:9780814747780

In 1983, Harvard law professor Duncan Kennedy self-published a biting critique of the law school system called "Legal Education and the Reproduction of Hierarchy". It influenced a generation of law students and teachers and remains one of the most cited works on American legal education. The visually striking original text is reprinted here, making it available to a new generation. The text is buttressed by commentaries from five prominent legal scholars who consider its meaning today, as well as by an introduction and afterword by the author that describe the context in which Kennedy wrote the book, including a brief history of critical legal studies.

评论

Everything is of politics. It sucks.

-----  
这本小册子据说影响了整整一代人。文中对八十年代美国法学院教育痛下针砭，揭示了许多问题，包括法学教育对既有等级制度的固化，法学教育自身隐含的意识形态灌输，以及法学生对等级制度的趋附。他山之石可以攻玉，这本小册子在本世纪初的香港依旧有很深的借鉴意义。
