The Council of Europe and Sport: Basic Documents is the second volume in the Asser series of collections of documents on international sports law, containing material on the intergovernmental (inter-state) part of international sports law. The European Union and Sport: Legal and Policy Documents was the first volume devoted to the European Union. In previous other publications, non-governmental materials, i.e. statutes and constitutions, doping rules and regulations, arbitral and disciplinary rules and regulations of the international sports organisations were published. The book provides an invaluable source of reference for governmental and sports officials, legal practitioners and the academic world. With the increasing public interest in the legal aspects of sports, this collection of documents is a timely and welcome contribution to enhancing the accessibility of basic texts on international sports law and policy.
