These versions comprise the texts transmitted between the Drafting Committee and the Committee of the Whole at the Rome Diplomatic Conference; the text proposed by the 1998 Preparatory Committee on the Establishment of an ICC; the text completed by the Inter-sessional meeting in Zutphen; the text proposed by the 1995 Ad Hoc Committee on the Establishment of an International Criminal Court; the text proposed by the International Law Commission in 1994. It also contains government proposals made during the 1995-1998 sessions of the Ad Hoc and Preparatory Committees, most of which have not been made public documents. This organisation of the legislative history permits the reader to see the complete textual evolution of each article. A description of the ICC mechanisms and institutions precedes this article-by-article legislative history. Government officials, judges, practitioners, and scholars seeking to interpret and understand the ICC Statute will find this three-volume publication unmatched for completeness and ease of use.
