The complexities of planning and administering an estate are clearly explained in this up-to-date and authoritative guide. This new edition covers the best techniques for transferring property through Irrevocable Life Insurance Trusts, gifting programs, paying grandchildren's medical and tuition expenses, and more. From wills, trusts, powers of attorney, and health care directives to probate and administering an estate, it's all here in easy-to-read, plain English. A five-step planning process details how to create and implement a sound estate plan.
