著者:William Shakespeare

出版者:Oxford University Press

出版时间:1998

装帧:Pap

isbn:9780192836069

Julius Caesar's exciting plot, brilliant rhetoric, and searching characterisation have made it one of Shakespeare's most popular plays with both readers and theatre-goers.

Introducing this thoroughly reconsidered edition, Arthur Humphreys provides a fresh look at the play's date and its place in the Shakespeare canon and examines Shakespeare's transmutation of history into drama. He investigates the play's ethical and moral concerns in a section on Roman values and analyses its fortunes in performance, from its immediately successful first staging to modern productions for cinema, television, and stage.
