

# My Individualism and the Philosophical Foundations of Literature (Tuttle Classics)

[My Individualism and the Philosophical Foundations of Literature \(Tuttle Classics\) 下载链接1](#)

著者:Natsume Soseki

出版者:Tuttle Publishing

出版时间:2005-04-15

装帧:Paperback

isbn:9780804836036

In these rare personal essays, Soseki defines the role of art in light of the isolation of the modern world. Each essay includes personal anecdotes that act as allegories about the fate of Japan. In her introduction, Soseki expert Dr. Inger Sigrun Brodey masterfully unravels the complexities of the two essays.
