A timeless work, beloved since the Middle Ages, takes a glorious new form in this deluxe modern edition. "The Tales of Ise" contains 125 vignettes following a valiant hero from his 'coming of age' to his death. Included here are sixteen black-and-white woodblock prints originally published in 1608.

评论

感觉把诗作翻译成英文简直就是丧心病狂。毫无美感啰嗦无聊不知所谓……
