This collection shows the qualities that make Japanese literature among the world's finest. Including "Under Reconstruction," considered to be the first modern Japanese short story, this book presents the short stories of Japan as among the world's most satisfying. Edited by Ivan Morris, a recognized authority on Japanese literature, "Modern Japanese Stories: An Anthology" is a volume of the highest quality and fidelity.

评论

拿英语学日语是姐在图书馆做过最BT的事情=
=就像用英语翻译唐诗三百首一样的鸡同鸭讲。
