The first of the five Leatherstocking Tales, The Pioneers is perhaps the most realistic and beautiful of the series. Drawing on his own experiences, Cooper brilliantly describes Frontier life, providing a fascinating backdrop to the real heart of the novel--the competing claims to land ownership of Native Americans and settlers. This edition follows the publication of The Last of the Mohicans in the World's Classics series and uses the standard text approved by the Modern Language Association.

文学课。明天开始无论如何都要开始看了，要不然真的会最后写不出东西。  
不太看得懂的感觉啊……希望看到后面会来点灵感。  
看这样一本毫无吸引我的地方的原版的还这么厚的小说……真的不知道要怎么样每天继续下去。经过几周终于决定放弃了，决定找几篇论文了事。我尽力了。
