Poe's complete poetry and fiction, collected for the first time, including his remarkable and haunting poems, his classic tales of mystery, horror, and suspense, and his humorous sketches. Includes famous stories such as "The Fall of the House of Usher," and "The Murders in the Rue Morgue," along with his most popular poems such as "Annabel Lee," "The Raven," and lesser-known works, and his unusual prose-poem "Eureka." This volume displays Poe's extraordinary range and technique, as well as his gift for revealing the darker possibilities of human experience.
