isbn:9780330435338

'What is written lives far longer than we do -- or so we would like to think.' From unfinished novel to unsent letters, from prose to play, from Macclesfield to the New Year's Honours List, Liar's Landscape is evidence of the late great author's versatility, wit and passion for the written word. When Sir Malcolm Bradbury died in 2000, he left behind a lifetime's work; some of it published and some of it not; fiction and non-fiction; short stories and novels; completed work, work in progress, work barely begun; plans, sketches, notes, titles. Given shape and coherence by his son, Dominic, that work has now become Liar's Landscape, a book about books, about writing and writers, about being a writer and, of course, about being Malcolm Bradbury. 'Liar's Landscape is essential reading for all admirers of Malcolm Bradbury and, for those who don't know his work, an invaluable sampler of his worldly-wise humour and satirical wit' Tom Rosenthal, Independent
