Composed in medieval Iceland, Hrolf's Saga is one of the greatest of all mythic-legendary sagas, relating half-fantastical events that were said to have occurred in fifth-century Denmark. It tells of the exploits of King Hrolf and of his famous champions, including Bodvar Bjarki, the bear-warrior: a powerful figure whose might and bear-like nature are inspired by the same legendary heritage as Beowulf. Depicting a world of wizards, sorceresses and berserker' fighters originally members of a cult of Odin this is a compelling tale of ancient magic. A work of timeless power and beauty, it offers both a treasury of Icelandic prose and a masterful gathering of epic, cultic memory, traditional folk tale and myths from the Viking age and far earlier.

Nordic

## 评论

看完故事后，再回来看开头的introduction，还是收获很多的，觉得看完之后可以找Beowulf来对照着再看一遍
