This tragedy of doomed lovers from warring families has inspired poetic expression from young lovers the world over. The 300-year-old drama is perhaps Shakespeare's best-known work. The CliffsComplete Romeo and Juliet is a revised and expanded study edition. It contains Shakespeare's original play, a glossary, and expert

commentary in a unique, 2-column format. To enhance your learning, notes and definitions appear directly opposite the line in which they occur, and a review section follows the play. This edition also introduces you to the life, works, and times of William Shakespeare.
