isbn: 9780199204748

Dickens's A Christmas Carol has gripped the public imagination since it was first published in 1843, and it is now as much a part of Christmas as mistletoe or plum pudding. It is a ghost story set at Christmastime in which a bad-tempered skinflint learns the error of his ways. Ebenezer Scrooge hates Christmas and all it stands for, but a ghostly visitor foretells three apparitions who will thaw Scrooge's frozen heart. This edition includes all the original illustrations for A Christmas Carol and reprints the story alongside Dickens's four other Christmas Books: The Chimes, The Cricket on the Hearth, The Battle of Life, and The Haunted Man. All five stories show Dickens at his unpredictable best, jumbling together comedy and melodrama, genial romance and urgent social satire, in pursuit of his aim 'to awaken some loving and forbearing thoughts, never out of season in a Christian land'.
