Having survived an explosive assassination attempt, Italian police detective Aurelio Zen finds himself convalescing at a Tuscan seaside resort town, where he is under orders to lie low until he is to testify at a much-anticipated Mafia trial. The quiet—and the boredom—are relieved by the pleasant distraction of the beautiful Gemma, but just when he feels he is getting somewhere with her, a the discovery of corpse in his usual lounge chair brings his holiday to an abrupt end. Convinced that the Mafia has finally located him, the police put Zen on the move again, in startling directions.

And Then You Die , Michael Dibdin’ s latest installment in the Aurelio Zen series, is a wicked, twisting tale that pits Zen against invisible assassins and the possibility of forced retirement. As the plot unfolds, and Zen ponders his uncertain future, bodies are stacking up around him. And Then You Die is another exceptionally surprising, consistently funny triumph from a master of the genre.
