In this powerful sequence of TV images and essay, Claudia Rankine explores the personal and political unrest of our volatile new century "I forget things too. It makes me sad. Or it makes"" me the saddest. The sadness is not really about"" George W. or our American optimism; the"" sadness lives in the recognition that a life can"" not matter." The award-winning poet Claudia Rankine, well known for her experimental multigenre writing, fuses the lyric, the essay, and the visual in this politically and morally fierce examination of solitude in the rapacious and media-driven assault on selfhood that is contemporary America. With wit and intelligence, Rankine strives toward an unprecedented clarity-of thought, imagination, and sentence-making-while arguing that recognition of others is the only salvation for ourselves, our art, and our government. "Don't Let Me Be Lonely" is an important new confrontation with our culture, with a voice at its heart bewildered by its inadequacy in the face of race riots, terrorist attacks, medicated depression, and the antagonism of the television that won't leave us alone.

# 评论

媒体批量制造盲目乐观 “美国梦” 的肥皂泡，一戳就破。

-----  
读完以后只觉得自己是个跛子，对一切无能为力，抑郁得要厥倒。并没有刻意地要拷问人性，Rankine大概只是单纯地需要呈现这个世界的每一个部分，但是某些部分却让人难受得想掉眼泪，大约存在本身就是一件伤心的事情吧。
