David Tennant (Doctor Who) and Liz Carling (Casualty) star in the sitcom about a young couple, Daniel and Lucy, and their circle of friends.

In the first series, Lucy sets up Daniel's party, but their mates seem too busy with kids.

Then, when a top author gets writer's block, Lucy and Daniel get landed with an unwelcome guest.

In the third episode, Daniel and Lucy's plans for a quiet weekend are hit by a stream of

unplanned visitors and are later hit by other people's baby blues. Is poker really the answer?

Lucy's up for promotion, but Katie can't decide on naming her baby.

And in the last episode, when they're asked to be godparents, Lucy's thrilled. The same can't be said for Dan, however.

This series was first broadcast in 2001.

-----  
听的应该是这个版本

-----  
第三集和第六集的tension很不错。以及DT这么可爱，还要求什么。

-----  
听的有声书，DT的苏格兰口音太可爱了，第一集就笑得不行…

-----  
在“听”。DT呀DT，fav doctor:)

-----  
啊…我真是被DTT日常向的Audio吃得死死的…

-----  
因为David Tennant的原因听这个广播剧，意外地发现其实很好听懂，一对可爱的夫妇，一群逗比的朋友，认认真真地充满善意地做着傻事，结局往往与期待大相径庭但都HE。至爱。
