Jaroslav Iwaszkiewicz (1894-1980) was a significant Polish novelist and poet. Besides his literary work, he fulfilled various social roles during his long life. He studied law in Kiev, worked as a civil servant at the newly created Polish parliament (Sejm) after WW1, served at embassies in Copenhagen and Brussels, joined anti-nazi resistance during WW2, became member of parliament after the war, was president of the writers' union, received Lenin Prize for peace movement activities etc. His books are considered classics and even today they still sell well in Poland; some have been adapted into internationally successful films.
