When Mary Forrest receives the gift of an astrological reading for her birthday, she doesn't expect it to be the harbinger of her life's imminent upheaval. This is Mary's Saturn Return year, her twenty-ninth; the year that the planet Saturn returns to exact spot it was in when she was born. It presages a time of change, change that Mary is unprepared for. She must overcome intimacy and abandonment issues, resurrect her relationship with her ailing mother, and learn to trust the man that she loves.
