著者:Robert Pope

出版者:Palgrave Macmillan

出版时间:2000

装帧:Paperback

isbn:9780333762837

In this second edition of his tried-and-tested guide, Rob Pope continues to help students get to grips with Chaucer, from the first tentative encounters with the language to sophisticated critical and historical engagement with Chaucer's narrative art in context. All the commonly studied tales are featured, and each is approached through a series of clear and well-defined steps. In addition to guidance on "translating" and interpreting Chaucer, there are new sections reviewing key terms and arguments in contemporary critical debates.

作者介绍:

ROB POPE is Professor of English at Oxford Brookes University.

## 书评

With plain language and lucid structure, this is a very good guide to understand Chaucer in the original Middle English. The book has neither requirement for prior knowledge of Chaucer, nor previous reading experience in reading his work. Therefore, any one...
