In his *Bellum Catilinae*, C. Sallustius Crispus or Sallust (86-35/34 B.C.E.) recounts the dramatic events of the year 63 B.C.E. when a disgruntled and impoverished nobleman, L. Sergius Catilina, after two electoral defeats, made himself the leader of a group of heavily indebted young aristocrats and the Roman poor and tried to kill his rival Cicero and overthrow the government. With his trademark archaizing style, Sallust skillfully captures the drama of the times, including an early morning raid and the emotionally charged debate in which Caesar and Cato the Younger fight over the lives of the arrested conspirators. Sallust wrote while the Roman Republic was being transformed into an empire during in the turbulent first century BCE. The work is well-suited for second-year or advanced Latin study and gives a fair idea of the richness of Latin literature while also pointing the way to a critical investigation of late-Republican government and historiography. Ramsey's introduction and commentary bring the text to life for Latin students. This new edition includes two maps and two city plans, an updated and now annotated bibliography, a list of divergences from the 1991 Oxford Classical Text of Sallust, and minor revisions in the commentary.

评论

太萌了！！！Cato好可爱啊！！！Catiline最后死得有气概啊！

作为一个Textbook感觉实在太细致了啦！

Sallust的文笔很舒服。不过最大的感慨是Ramsey的工作好艰苦……

令人惊叹的注释。适合打印下来翻阅，因为一个语法现象再次出现时不会重提，需要在各章节来回查找。
