书评

As one of the very few intellectuals who successfully fled during the period, Gao's could not undo his internal dilemma - an urge to paranoically distance himself from any collective thinking, or anything that attempts to attain universality. Thus while he...

该书非常值得一读，而且绝对不能翻译成汉字来读。因为原话就是汉字的，再翻译成汉字俗话就叫做瞎折腾了。开篇一句话，足够几番思索。It was the first time in the hundred-year history of the Nobel Prize that this honour had been awarded to an author for a body of w...
