装帧:Paperback

isbn:9780520253971

Don Gifford's annotations to Joyce's great modern classic comprise a specialized

encyclopedia that will inform any reading of "Ulysses". The suggestive potential of minor details was enormously fascinating to Joyce, and the precision of his use of detail is a most important aspect of his literary method. The annotations in this volume illuminate details which are not in the public realm for most of us. The annotations gloss place names, define slang terms, give capsule histories of institutions and political and cultural movements and figures, supply bits of local and Irish legend and lore, explain religious nomenclature and practices, trace literary allusions and references to other cultures. Annotations are keyed not only to the reading text of the critical edition of "Ulysses", but to the standard 1961 Random House edition, and the current Modern Library and Vintage texts.

评论

注释V1，这个没坚持下去还在读

比较关注小说和现实世界的关系，比如导言里从1904年都柏林的货币价值来看《尤利西斯》人物的经济地位。《尤利西斯》的魅力就在于，即便你不懂里面的典故和隐喻也没关系，不同层次的读者从中得到不同的阅读快感

伟大
